NATURE!!

Vidarbha's
unique place of
its kind for families
and friend,
a AgriTourism center
spread across 12 acres
out of total 50 acres land.

Welcome to Nature's Bliss Organic Farms !!

Friends, Today's life is very fast, full of competition, rush, and stress. All of us work hard to achieve our financial and non-financial targets. Good health has become the key to a successful life. It's a necessity nowadays to take a break from professional life once a week to rejuvenate mental & physical health, Social bonding, and family life.

We have a dream to create such a place where hard-working, nature-loving, leisure-loving people like you will visit on weekends to experience healthy rural life, private forest. You will be staying in a healthy nature to get energy from its peaceful environment and **Nature's Bliss from Mother Nature.**

We cordially invite you to experience a unique world we have created at Village Manbha.
